

CAREERS & ASPIRATIONS ENRICHMENT GRID

INSPIRING PEOPLE:

Last half term, we had a visit from a scientist and a miner to find out about real jobs. We also took part in a democratic vote and we have written letters to local MP John Healey.

Now that these people have inspired you, why don't you create a poster about one of them.

TAKE A TOUR:

Take a virtual tour of the houses of parliament <https://www.parliament.uk/visiting/virtualtour/>
Draw a map of what you see inside
Visit some different places of work e.g. vets, supermarkets.

FIND OUT MORE:

Research into the different types of jobs you would like to do.

Write a list of jobs that you would like to do.

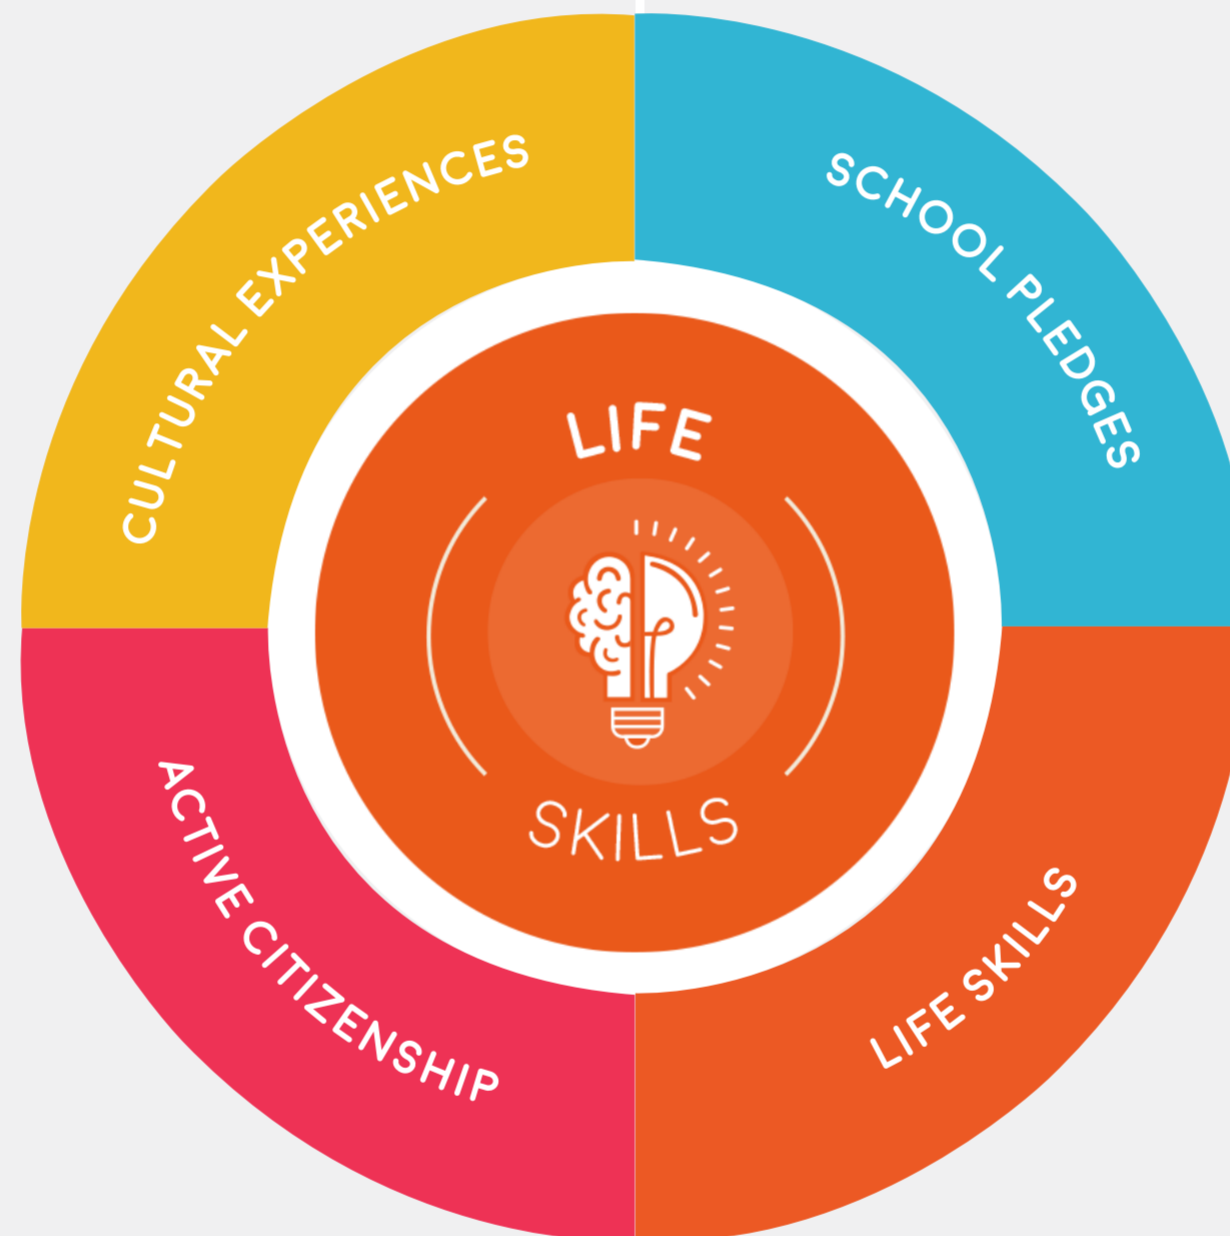

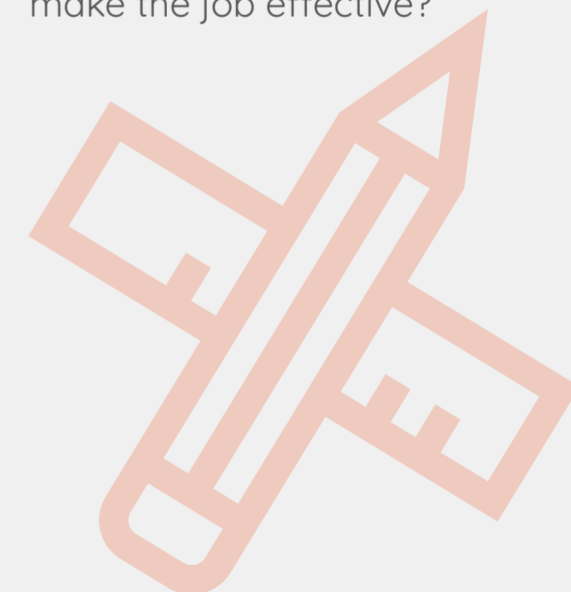

Write some questions you would like to know about your preferred job
Interview some of your family members about their job.

YOU COULD ALSO:

Write to a member of parliament

Create a job advert for a job of your choice -
What qualities do you think you would need to make the job effective?

Now see how many of these activities you can do with your family or on your own! Don't forget to send pictures to your class teacher so you can earn Dojo points and be entered for our school prize raffle.

MOST OF ALL. HAVE LOTS OF FUN!

You can write about what you have done in a journal or word document, maybe you could send in a picture or video of your efforts for us to see too!
