

To all the Staff and pupils at Monkwood School,

Rawmarsh Food bank (RaFB) has reached its 1st Birthday, which gives us an amazing opportunity to let you know what a difference your donations have made to many people across our wonderful community.

This year you have given **434.6 kgs** which has helped support **72** people. We are thrilled to tell you, you are our number one donor.

Without you and your incredible generosity we wouldn't be able to run RaFB.

Thank you so much, together we are making a huge difference.

Many thanks  
Kind regards

*Sonia*
