Dear Parent /Carer

Following the successful consultation for the opening of Woodland View Early Years Assessment resource, I'm pleased to inform parents that the centre is almost complete.

The entrance and pathway to the centre will be from Hague Avenue.

Parents may have noticed this building work and the new fence around the woodland.

Monkwood Primary School will still have access to the field and woodland area.

Currently, the Hague Avenue entrance is closed for pupils to the main school.

This will remain the case but will be reviewed in the new school year once the building work is complete and the centre is up and running.

Kind regards

Mrs Bonnington
