Dear Parents / Carers

### **Friday 14<sup>th</sup> March Weekly Round-up**

#### **Y2 Victorian Day**

What a fantastic day the children in Year 2 had! To immerse them in their Victorian topic, the children took part in a range of workshops. They played with Victorian toys, experienced what a Victorian classroom would have been like, made peg dolls and even did some of the jobs children would have been expected to do during this era! It was a great day.

#### **SEND Craft Event**

Thank you to everyone who attended our first SEND Craft session after school on Wednesday. The children (and adults!) created some wonderful items and a good time was had by all!

#### **Dodgeball**

We were super proud of our Dodgeball Team on Wednesday! A group of girls from across Key Stage 2 competed against teams from across Rotherham. They won the majority of their games. Well done, girls!

#### **Year 4 Swimming**

A huge well done to our children in Year 4. They took part in their first swimming session this week. I am told they put in so much effort and demonstrated great determination and resilience. Great work!

#### **Year 4 went to York!**

I was lucky to be able to accompany Year 4 on their trip to The Dig and Jorvik in York on Tuesday. We had a fantastic day! Hearing about some of the items that were used to make medicines in the past was very interesting, and surprising! Our ride on the capsules around the museum was also a highlight.

#### **Red Nose Day**

Friday 21<sup>st</sup> March is Red Nose Day. Children are welcome to come to school in something red. This could be anything from a t-shirt to a bobble or socks! Non-school uniform can also be worn. We are asking for donations, which can be handed to class teachers. There is no fixed amount.

We will be running some fun activities over the course of the day in school, too. Thank you for your support.
